

Southall Spotless Streets

Small actions make a big difference ♥

We are a community-led environmental initiative designed to improve street cleanliness, reduce fly-tipping, and encourage community ownership across Southall.

WHY IT MATTERS

Incorrect waste disposal causes fly-tipping, attracts pests, damages the environment and costs taxpayers money.

By disposing of rubbish correctly, we can keep our streets clean, safe and welcoming for everyone.

Protect Nature

Reduces Pests & Disease

Pride in our community

Safer Communities

Saves Money

Cleaner Streets

QUICK TIPS

Put bins out by 7am on collection day

Don't overfill your bins

Keep lids closed

Do not leave waste on street

Recycle more, waste less!
